Kids Matter
This week Miss Jago, Mrs Moss and I attended the first training session for Kids Matter, an initiative of the Department of Health designed to develop positive school cultures and promote the mental health and wellbeing of all students. The training has four components - positive school culture, socio-emotional learning, parent-school partnerships and providing support for students with mental health issues. To make a real difference in our school we need parents to be part of our Kids Matter action team. If you would be interested in being part of our planning and implementation team, please contact me at school.

Tree Planting
On Tuesday we finally made it to Holcim to plant 1000 trees in the riparian zone next to a creek bed. After being postponed twice due to bad weather we had a very hot and sunny day for the planting and the students worked very hard in teams to get the job done. Holcim then provided a lovely sausage sizzle lunch. Thank you to Mr & Mrs Horn and John Nicastri for joining us for the planting. Several of the Holcim crew commented on the fantastic work ethic and manners of the Marulan students. Well done, everyone!

Kindergarten Orientation
We welcomed our 2016 Kindergarten students again today. They were joined by their Year 5 mentors and had a tour of the school and played some outdoor games as well as participating in some fun activities related to the story Giraffes Can’t Dance.

Breakfast Club
I want to take this opportunity to remind breakfast clubbers that we appreciate a gold coin donation each day in order to keep the breakfast club sustainable. I want to offer my very personal thanks to the amazing regular breakfast club volunteers who turn up week after week to provide this valuable service to our community. Thank you so much!

Presentation Day
A reminder that this year’s presentation day assembly will be at the Goulburn Workers Club auditorium on Monday 7 December at 5.30pm. We are looking forward to great performances, honouring the achievements of our students, farewelling staff and students who are leaving this year and inducting our new school leaders for 2016. It is going to be a memorable evening.

On a very sad note, along with everyone at Marulan Public School I would like to offer my condolences to the Blake family for the tragic loss of their father last weekend. Our thoughts are with you at this sad time.

Marianne Powles
Principal
