We are getting towards the end of a very busy but productive term during which our school has grown and seen some very positive changes and developments. We have a number of new enrolments to the school for next term and it is highly likely that we will be able to form a fifth class early in the term. As you know, school staffing is determined entirely by enrolment numbers and the school has no discretion in the timing of this. Having a fifth class will be fantastic for the learning of all students, as classes will be smaller, giving every student even more personalised attention from the teachers.

In the event that we are able to form a fifth class, it is very likely that the new class will be a 4/5. I will call the families who will be affected by any class changes prior to the new class being formed but please feel free to contact me if you have any questions or concerns.

**Election**

On Saturday our school will be a polling both for the NSW state election. Polling will take place in the administration building. The P&C will be manning a BBQ kindly donated by Holcim for the day and Mrs Murray’s coffee van will also be operating. The P&C welcomes any volunteers for the BBQ and all donations of cakes and slices to be sold can be left at school on Friday afternoon or Saturday morning.

**Wakakirri**

Today Miss Jago has sent home an expression of interest for participation in the national storydance competition, Wakakirri. Marulan Public School has a very proud history of successful participation in this competition and I am very much looking forward to what we can achieve again if we all become involved in this exciting whole school project.

**Anzac Day**

Marulan Public School students have been invited to attend this years centenary of Anzac commemoration at 11am on Saturday 25th April at the cenotaph here in Marulan. Students have been asked to attend in school uniform. More details will be available next term.

**Zone Soccer**

Last Friday, Bridget, Harrison, Sam, Troy and Riley represented the district at the zone soccer trials. This was a very proud achievement in itself. Harrison Hage was selected to go to the next level and he will attend regional trials next Tuesday. Congratulations Harrison!
