Variety Bash

The Variety Bash is this Sunday! This event has been months in the planning and promises to be extremely exciting for the students and our whole school community. More than 70 cars, 240 ‘Bashers’ and a helicopter will arrive at school between midday and 2pm. Variety have already generously donated a cooker and air conditioning unit for the new after school care room and they are donating even more to the P&C for their lunch!

The P&C will feed the Bashers lunch from 12.30pm. We are hoping that all families will bring cakes and slices for dessert. Please let us know if you can assist with preparing and/or serving food on Sunday. Students will perform for the bashers before they leave and we will need all performers at school by 1pm – we are not quite sure exactly what time they will perform but probably between 1pm and 2pm.

To ensure everyone’s safety please enter the school via the pedestrian gate and stay to the left of the school buildings to avoid the vehicles. When the helicopter is landing and taking off EVERYONE will need to leave the oval and watch from the path next to the 5/6 room. Once the helicopter has landed, spectators are welcome to have a closer look at the helicopter. Please ensure that all students are supervised by an adult at all times. Children can come in casual clothes.

Breakfast Club

We are incredibly lucky to have a Breakfast Club staffed entirely by volunteers. Students attending Breakfast Club must be on their best behaviour at all times, follow all instructions and treat volunteers with utmost respect. Any students not maintaining this high standard of behaviour will not be allowed to use this fabulous school resource.

NAPLAN

It has been a big week for the Year 3 and 5 students, completing their four NAPLAN tests including Language Conventions, Writing, Reading and Numeracy. They did a great job, with each student trying their best and displaying impressive maturity. The test results will be used to inform future teaching and learning programs across the school.

R.A. Spratt

2/3/4 and 5/6 were lucky enough to have a visit from R.A. Spratt, author of the Nanny Piggins and Friday Barnes series of books. This was especially thrilling for 2/3/4 who fell in love with Nanny Piggins last term, but the older students were also captivated by her storytelling. Ms Spratt generously donated some books to the library and I’m sure these will be thoroughly enjoyed by her Marulan fans!

Cross Country Carnival

Good luck to all our school representatives in the rescheduled district cross country carnival next Monday 18 May at Wollondilly Public School. Let’s hope the weather is better than last Monday!

### School Dental Assessment Program
Next Wednesday the school will be visited by a Senior Dental Therapist from NSW Health, Southern NSW to assess students’ teeth. No dental work will be carried out at this time.

Please complete the consent form sent home earlier this term and return it to school by Wednesday morning for an assessment to be carried out on your child/children.

Each child must have their own consent form. If you require another form for your child, please contact the office.
