Variety Bash
Thanks to the P&C, the staff, the students and the whole Marulan Public School Community for the success of this remarkable event. I’m not sure any of us knew quite what to expect but the reality was astounding! The cars, the helicopter, the costumes, the magician and the very many gifts we received were quite humbling. The event raised over $3000 and we were given nearly $5000 worth of gifts and resources for the school. I am so grateful to Variety and impressed by the Marulan Public School community for the success of the day.

Playgroup at Marulan Public School
We are excited that an Outreach Playgroup will be offered at Marulan Public School every second Friday morning in term time from 9.30 – 11am next Friday 29 May, 2015. The playgroup program provides art and craft workshops for pre-school aged children (from birth to school age) and parents with a focus on play-based learning, partnerships with families and building and nurturing relationships. Play group is completely free and is a joint initiative of Schools as Community Centres and Goulburn Regional Art Gallery. Please contact the school on 4841 1573 for more information.

Playgroup will run on:
   Friday 29 May, 2015
   Friday 12 June, 2015
   Friday 26 June, 2015
   Friday 24 July, 2015 and every second Friday after that (excluding school holidays)

Positive Behaviour for Learning
At Marulan Public School we value positive behaviour and reward safe, responsible and respectful conduct with ‘POS’ slips. Students who maintain positive behaviour over a term are rewarded by achieving Bronze, Silver and finally Gold level each year. Students who wish to be considered for leadership positions in Year 6 must achieve at least Silver level in Year 5.

Inappropriate behaviour in the classroom or playground leads to a student being given a ‘white card’. Every Friday, students who have not received a white card are given an extra 10 minutes of play at lunchtime. More serious incidents – violence, bullying or ongoing disruptive behaviour lead to a student being taken off the playground for a period of reflection. If your child is on reflection you will be notified.

Overall the students at Marulan are enthusiastic, supportive and generous and our behaviour problems are minor. Continuing to reinforce the message that we are safe, respectful and responsible helps to maintain this very positive learning environment.

Fri 29 - Alison & John

Thank you to our volunteers who are always cheerful and ready to assist our children.
If anyone is willing to volunteer for a breakfast club shift, even 1 morning a month, please contact Katie on 0418 411 087. Thank you.

Scholastic Book Club
Book Club order forms were sent home today. If you would like to order from this issue, please return completed forms to school by Wednesday June 3 for processing.

World No Tobacco Day
31 May 2015

Sunday 31 May is World No Tobacco Day. It is important that we remember the harm that can be caused to children through secondhand tobacco smoke. That is the smoke which smokers exhale after inhaling from a lit cigarette. There is no safe level of exposure to secondhand tobacco smoke.

Breathing second-hand tobacco smoke can exacerbate the effects of other illnesses such as asthma and bronchitis. It can increase the risk of cardiovascular disease, lung cancer and other lung diseases.

For children, inhaling second-hand tobacco smoke is even more dangerous. This is because children's airways are smaller and their immune systems are less developed, which makes them more likely to suffer negative health consequences of second-hand tobacco smoke such as bronchitis, pneumonia and asthma.
